BRIEF SUMMARY

Seeking an entry-level position in Information Technology to kick start my career. I aim to leverage my programming skills in Java and strong subject knowledge. I am loyal, honest, and hardworking with a commitment to smart work. I am ambitious, always ready to learn new and innovative things, and enjoy solving problems creatively.

SKILLS

- **Languages**: Java, HTML5, CSS, Sql
- **Technologies/Frameworks**: SpringBoot, Hibernate, JavaSwing, JavaFx, Angular, Restful APIs.
- **Developer Tools**: VS Code, Eclipse, NetBeans, Postman

EDUCATION

Sinhgad Academy of Engineering   2020 - 2024
B.E. - Computer Science & Engineering | CGPA: 8.54 / 10

Shevgaon English Medium School Shevgaon, Shevgaon   2019 - 2020
12th | MSBSHSE | Percentage: 60.31 / 100

Residential High School Shevgaon, Shevgaon   2017 - 2018
10th | MSBSHSE | Percentage: 87.80 / 100

INTERNSHIP

Code Clause   01 Feb, 2023 - 01 Mar, 2023
Java Developer Intern
Key Skills: Java, Java Swing
Worked as a Java Developer, utilizing Core Java and the Java Swing framework to develop a Library Management System for efficiently storing and managing book information.

PROJECTS

Bricks Breaker Game
https://github.com/onkarnangare/Bricks-Breaker-Game/
Key Skills: Java, Java Swing
The project features a simple game that integrates Core Java and the Swing framework. Core Java enables functionality through object-oriented programming, while the Swing framework is used for frontend development.

Personal Finance Tracker
https://github.com/onkarnangare/Personal-Finance-Tracker/
Key Skills: Spring Boot, Hibernate, Angular, MySql
Created a personal finance tracker using Spring Boot, Hibernate, and Angular. Built APIs for user registration, login, and transaction management, and developed a user-friendly interface to display transactions. Used Hibernate to handle database operations efficiently.

CERTIFICATIONS

- Java Full Stack certified by Kiran Academy
